Code, Acts 1951, 52nd Legislature, page 868, Chapter 491, as amended, by amending Article 6.01 to prescribe the method of maintaining reserves on fire insurance; by amending Article 6.02 to prescribe the method for calculating and maintaining the reserves on marine and transportation insurance; by amending Section 6 of Article 6.12, and Article 21.32 to conform with the other amendments contained in this Act; repealing conflicting laws or parts of laws; providing a savings clause; and declaring an emergency."

The bill was read second time.

Senator Bradshaw offered the following committee amendment to the bill:

Amend S. B. 155, by striking out all below the enacting clause and substitute in lieu thereof the following:

Section 1. That Articles 6.01, 6.02 and Section 6 of Article 6.12 of the Insurance Code, Acts 1951, 52nd Legislature, page 868, Chapter 491, as amended, are hereby amended so that they shall henceforth read and provide as follows:

"Art. 6.01. Board Shall Calculate Reserve on Fire Insurance

"(1) Every company doing fire insurance business in this State shall maintain a reinsurance or unearned premium reserve on all policies in force.

"(2) The Board may require that such reserves shall be equal to the unearned portions of the gross premiums in force after deducting reinsurance in accordance with the provisions of Article 6.16 of the Texas Insurance Code as computed on each respective risk from the policy's date of issue. If the Board does not so require, the portions of the gross premium in force, less reinsurance in accordance with the provisions of Article 6.16 of the Texas Insurance Code, to be held as a reinsurance or unearned premium reserve, shall be computed according to the following table:

Term for Which Policy Was Written	Reserve for Unearned Premium
1 year or less	1/2
2 years	1st year 3/4 2nd year 1/4
3 years	1st year 5/6 2nd year 1/2 3rd year 1/6

4 years	1st year	7/8
	2nd year	5/8
	3rd year	3/8
	4th year	1/8
5 years	1st year	9/10
	2nd year	7/10
	3rd year	1/2
	4th year	3/10
Over 5 years	5th year	1/10
	pro rata	

"(3) In lieu of computation according to the foregoing table, the Board may require or the insurer at its option may compute all of such reserves on a quarterly, monthly or more frequent pro rata basis.

"(4) After adopting a method for computing such reserve, an insurer shall not change methods without approval of the Board.

"Art. 6.02. Reserve For Ocean and Inland Marine Trip Insurance

"The entire amount of premiums on ocean and inland marine trip risks not terminated shall be deemed unearned, and the insurer shall carry a reserve equal to one hundred percent of such premiums.

"Art. 6.12. Details of Annual Statement

"6. The liabilities of such company, specifying the losses adjusted and due; losses adjusted and not due; losses unadjusted; losses in suspense and the cause thereof; losses resisted and in litigation; dividends, either in script or cash, specifying the amount of each declared but not due; dividends declared and due; the amount required as the lawful reserve on all unexpired risks computed in the manner provided elsewhere in this Code; the amount due banks or other creditors, naming such banks or other creditors and the amount due to each; the amount of money borrowed by the company, of whom borrowed, the rate of interest thereon and how secured; all other claims against the company, describing the same."

Sec. 2. That Article 21.32 of the Insurance Code, Acts 1951, 52nd Legislature, page 868, Chapter 491, as amended, is hereby amended so that it shall henceforth read and provide as follows:

"Art. 21.32. Unlawful Dividend

"No life, health, fire, marine, or inland insurance company, organized under the laws of this State, shall make any dividend except from the surplus profits arising from its busi-

ness. In estimating such profits, there shall be reserved therefrom the lawful reserve on all unexpired risks computed in the manner as provided elsewhere in this Code, and also there shall be reserved the amount of all unpaid losses, whether adjusted or unadjusted; all sums due the company on bonds, mortgages, stocks and book accounts, of which no part of the principal or the interest thereon has been paid during the year preceding such estimate of profits, and upon which suit for foreclosures or collections has not been commenced, or which after judgment has been obtained thereon shall have remained more than two years unsatisfied, and upon which interest shall not have been paid. In case of any such judgment, the interest due or accrued thereon and remaining unpaid shall also be reserved. Any dividend made contrary to the provisions of this article shall subject the company making it to a forfeiture of its charter, and the Board shall forthwith revoke its certificate of authority."

Sec. 3. That Section 4 of Article 1.10, Texas Insurance Code, Acts 1951, 52nd Legislature, Page 868, Chapter 491, as amended, is hereby amended so that it shall henceforth read and provide as follows:

"4. To Calculate Reinsurance Reserve.—On the Thirty-first day of December of each and every year, or as soon thereafter as may be practicable, the Board shall have calculated in its office the reinsurance reserve for all unexpired risks of all insurance companies organized under the laws of this State, or transacting business in this State, transacting any kind of insurance other than life, fire, marine, inland, lightning or tornado insurance, which calculation shall be in accordance with the provisions of Paragraph 3 hereof."

Sec. 4. All laws or parts of laws in conflict herewith are hereby repealed to the extent of such conflict.

Sec. 5. If any provision, section, part, subsection, sentence, clause, phrase, or paragraph of this Act be declared invalid or unconstitutional, the same shall not affect any other portion or provision hereof, and all other provisions shall remain valid and unaffected by any invalid portion, if any.

Sec. 6. The fact that the present laws regulating the insurance busi-

ness do not provide adequate authority in the State Board of Insurance to permit it to properly calculate the reinsurance or unearned premium reserves on the various classes of insurance because several sections of the Insurance Code are inconsistent with each other creates an emergency and an imperative public necessity demanding the suspension of the Constitutional Rule requiring that all bills be read on three several days in each House; and said rule is hereby suspended, and this Act shall take effect and be in force from and after its passage, and it is so enacted.

The Committee Amendment was adopted.
